

KTU

Knowledge Transfer Unit - From Applied Research and Technology-Entrepreneurial Know-How Exchange to
Development of Interdisciplinary Curricula Modules

Programme: Tempus | Joint Projects | Higher Education and Society

Project reference Number:
544031-TEMPUS-1-2013-1-AT-TEMPUS-JPHES Grant

Agreement number: 2013 – 5045 / 001 -001
Project Duration: 36 months, 12/2013 – 11/2016

KTU DISSEMINATION

WP7 - Dissemination

Deliverables 7.1 – 7.4

KNOWLEDGE
TRANSFER UNIT

Date of last modification of document: 21-Apr-17

CONTENT

1. Summary of results	3
2. Overview table to dissemination measures.....	6

Table of achieved / planned results

<u>Title and reference number of the work package 7 (WP7)</u>	<i>Disseminate the project results to all stakeholders WP7</i>
<u>Indicators of achievement and or/performance as indicated in the project proposal</u>	<ol style="list-style-type: none"> 1. Project's printed material created and distributed (flyers, posters, brochures etc. containing the project logo) 2. Websites for each KTU created and updated (incl. advertisement videos for KTU by students to be published online) 3. Additional staff at the PCUs trained 4. Increased interest of stakeholders & add. Inputs (Events: Conferences and Seminars)

Activities carried out to date to achieve this result:

SUMMARY

7.1 Amount of printed materials:

Flyers – 6 thousand of flyers (5 000 in Ukrainian and 1 000 in English) + 1000 Eng = 7000

Brochures – 6 thousand of brochures (4 800 in Ukrainian and 1 200 in English) + 1800 (1200 Eng and 600 Ukr) = 7800

Service portfolio – 600 Ukr SUIT + 4000 DSTU + 1000 ISTU = 5600

Other materials (notebooks, bags, pens, folders): 800 + 600 = 1400

Created promotional videos for the Project: 7

In addition to printed materials and with approval by the EACEA, the project partners created promotional videos to the project itself (in EN and UA) as well as individual promotional videos for each KTU to trigger the dissemination impact and create content for the Social Media channels of the project.

The videos are available on the KTU website, in the individual section of each KTU:

7.3 Additional staff trained

Staff that was trained at the KTU Study Visits in EU (AT, ES, HU, SE) and they passed on the experiences to colleagues by presentation, meetings, events, the curricula modules etc. As 7.3 is closely linked to 7.4, the documentation to other trainings, conferences, roundtables and seminars is included in the full list of all dissemination events below. Here is a short summary to in which university events the training input have been further disseminated:

P6-ISTU: After regional the KTU seminars the acquainted knowledge was replicated (13/05/2015 and 04/03/2016) and spread to relevant faculty staff as foreseen in WP 7.

P7-KhAI: Trainings in line with WP7 have been carried out and a list of the multiplication events (replication of trainings to colleagues) have been carried out.

P8-UB: The acquainted knowledge from seminars and project events was replicated. After each KTU regional seminar, follow up briefings of faculty staff took place on main results at regular faculty meetings.

P9-KhNU: Follow up briefings of faculty staff took place at the regular faculty meetings.

P10-KSMA: An oral report/presentation was made to the KSMA Scientific Board after each training.

P11-DSTU: The trainings and gathered knowledge was replicated at the DSTU Scientific Council.

7.4 Increased interest of stakeholders > Summary of dissemination documentation table

Total number of counted activities: 121 (even more, as not all have been documented)

Total no. of events: 82 (incl. interim and final conference)

Published articles/newsletters: 23

Trainings of KTUs' staff: 15 (also part of 7.3)

Meeting with interested businesses: 7 (also part of 7.3)

Participation in Conferences: 10

Participation in International events: 5

Broadcasting in national TV: 1

Dissemination Documentation Table

Activity Title	Start date	End date	Place	Description of the activity carried out	Specific and measurable indicators of achievement
KTU website development	June 2014	During the Project and afterwards	www.my-ktu.eu	Technical and information support for the website development, including adding new information regarding the Project activities, about partners of the Project, photos,	Upgrade of information, working sustainability of the website, new information added (e.g. current and past activities, news, photos).
